One day, William was up on the roof of his house, mending a hole in the tiles. He had nearly finished, and he was pleased with his work. Suddenly, he heard a voice below calling "Hello!" When he looked down, he saw an old man in dirty clothes standing below. "What do you want?" asked William. "Come down and I'll tell you," called the man. William was annoyed, but he was a polite man, so he put down his tools. Carefully, he went all the way down to the ground. "What do you want?" he asked, when he reached the ground. "Could you spare a little money for an old beggar?" asked the old man. William thought for a minute and said, "Come with me." He began climbing the ladder up again. The old man followed him all the way to the top. When they were both sitting on the roof, William turned to the beggar and said "No."

1. William was on the roof of his house because he was .....

**A-**looking at the view

**B-** waiting for the old man

**A**-revising      **B**-recycling      **C**-reducing      **D**-repairing

**Choose the right option. Two marks for the correct answer. Use the text to answer ( 1-4)**

One day, William was up on the roof of his house, mending a hole in the tiles. He had nearly finished, and he was pleased with his work. Suddenly, he heard a voice below calling "Hello!" When he looked down, he saw an old man in dirty clothes standing below. "What do you want?" asked William. "Come down and I'll tell you," called the man. William was annoyed, but he was a polite man, so he put down his tools. Carefully, he went all the way down to the ground. "What do you want?" he asked, when he reached the ground. "Could you spare a little money for an old beggar?" asked the old man. William thought for a minute and said, "Come with me." He began climbing the ladder up again. The old man followed him all the way to the top. When they were both sitting on the roof, William turned to the beggar and said "No."

1. William made the old man climb up the ladder to .....

**A**-get his revenge on him

50. Captain Smollett said that they should attack the pirates .....  
**A**-and then turn back to England.                      **B**-after they had found the treasure.  
**C**-when the pirates least expected it .                      **D**-immediately after they had killed Silver.

Choose the right option. Two marks for the correct answer. Use the text to answer ( 1-4)

One day, William was up on the roof of his house, mending a hole in the tiles. He had nearly finished, and he was pleased with his work. Suddenly, he heard a voice below calling "Hello!" When he looked down, he saw an old man in dirty clothes standing below. "What do you want?" asked William. "Come down and I'll tell you," called the man. William was annoyed, but he was a polite man, so he put down his tools. Carefully, he went all the way down to the ground. "What do you want?" he asked, when he reached the ground. "Could you spare a little money for an old beggar?" asked the old man. William thought for a minute and said, "Come with me." He began climbing the ladder up again. The old man followed him all the way to the top. When they were both sitting on the roof, William turned to the beggar and said "No."

- William was on the roof of his house because he was .....  
 A-looking at the view B- waiting for the old man  
 C- fixing the roof D-making a hole in the tiles
- William was ..... since .....  
 A-happy / he wanted to get away from his work. B-angry / he wanted to speak to the old man  
 C- annoyed / it was a long way to go down the ladder. D-not polite / he put down his tools
- William made the old man climb up the ladder to .....  
 A-get his revenge on him B-show him how he was doing his work  
 C-help him mending the roof D-pay him some money
- The old man was .....  
 A- William's relative B-a beggar C- a roof-mender D- William's friend
- There are worries that ..... could reproduce with artificial GM crops.  
 A-corn B-weeds C- cotton D-grass and cotton
- ( To study information again to prepare for tests )is called.....  
 A-Revision B-Returning C- Replacement D-Renaming
- The number (50) refers to the ..... and the distance you can see from the top of the Empire State Building is .....in a clear day.  
 A-weight of the heaviest of the huge rectangular blocks at Stonehenge / 80 miles  
 B-number of huge circular blocks at Stonehenge / eighty miles  
 C-weight of the heaviest block at Stonehenge / eighteen miles  
 D-diameter of the circular group of stones / sixty miles
- The /t/ sound is found in .....  
 A-headache B-search C-machine D-mechanic
- After the great civilization of Rome ..... , they ..... by the Barbarians .  
 A-fall , attacks B-fell , attack C-had fallen , attacked D-had fallen , were attacked
- We worked hard to stop the old boat from going down, but it was all ..... it finally sank like a stone.  
 A-for nothing B-for free C- for test D-for rest

11. .... you had spent more time on this project, you ..... mistakes.

A-If only / would have made fewer

B-When / will have make more

C-I wish / would had made more

D-If only / will make fewer

12. Ms.Reilly suggested Azad to .....

A-miss the chance to see New York.

B-talk about silk road merchants.

C-go to the Staten Island Ferry.

D-call Stella and arrange a time.

13. Choose the correct passive sentence .

A- All the walls were be painted .

B- The new doors are going to be delivered .

C- These plans are being carry out.

D-The building has be decorated .

14. .... agreed that the citadel and its mound must .....

A-Only UNESCO , not be protected

B-HCECR and UNESCO , be protected

C- HCECR , be allowed to die

D- HCECR and UNESCO , be destroyed

50. (Cut pieces from old clothes to be turned into new once ) is an example of .....  
**A-**revising    **B-**recycling    **C-**reducing    **D-**repairing

Choose the right option. Two marks for the correct answer. Use the text to answer ( 1-4)

One day, William was up on the roof of his house, mending a hole in the tiles. He had nearly finished, and he was pleased with his work. Suddenly, he heard a voice below calling "Hello!" When he looked down, he saw an old man in dirty clothes standing below. "What do you want?" asked William. "Come down and I'll tell you," called the man. William was annoyed, but he was a polite man, so he put down his tools. Carefully, he went all the way down to the ground. "What do you want?" he asked, when he reached the ground. "Could you spare a little money for an old beggar?" asked the old man. William thought for a minute and said, "Come with me." He began climbing the ladder up again. The old man followed him all the way to the top. When they were both sitting on the roof, William turned to the beggar and said "No."

1. William was ..... since .....

A-happy / he wanted to get away from his work.

**A-**a pirate , the one legged man **B-**a coxswain , the pirates  
**C-**an officer , the crew **D-**a sailor , the officers
50. When Ben Gunn first saw Jim, he was frightened that .....  
**A-**Jim had been sent by squire to kill him. **B-**Flint's ship had returned  
**C-**the treasure had been taken. **D-**Jim had found the treasure

**Choose the right option. Two marks for the correct answer. Use the text to answer ( 1-4)**

One day, William was up on the roof of his house, mending a hole in the tiles. He had nearly finished, and he was pleased with his work. Suddenly, he heard a voice below calling "Hello!" When he looked down, he saw an old man in dirty clothes standing below. "What do you want?" asked William. "Come down and I'll tell you," called the man. William was annoyed, but he was a polite man, so he put down his tools. Carefully, he went all the way down to the ground. "What do you want?" he asked, when he reached the ground. "Could you spare a little money for an old beggar?" asked the old man. William thought for a minute and said, "Come with me." He began climbing the ladder up again. The old man followed him all the way to the top. When they were both sitting on the roof, William turned to the beggar and said "No."

1. William was ..... since .....

**A**-happy / he wanted to get away from his work.

**B**-angry / he wanted to speak to the old man

**C**- annoyed / it was a long way to go down the ladder.

**D**-not polite / he put down his tools

2. William was on the roof of his house because he was .....

**A**-looking at the view

**B**- waiting for the old man

**C**- fixing the roof

**D**-making a hole in the tiles

3. The old man was .....

**A**- William's relative

**B**-a beggar

**C**- a roof-mender

**D**- William's friend

4. William made the old man climb up the ladder to .....

**A**-get his revenge on him

**B**-show him how he was doing his work

**C**-help him mending the roof

**D**-pay him some money

5. Consult a doctor immediately or your health will get worse. This sentence is equal to .....

**A**-Your health will get worse unless you consult a doctor immediately.

**B**- If you consult a doctor immediately, your health will get worse.

**C**-As long as you consult a doctor immediately, your health won't get worse.

**D**-Both (A) and (C) are correct

6. 2/3 is written as:

**A**-Two third .

**B**-Second third .

**C**-Two thirds .

**D**-Second three

7. This hotel looks really familiar, ..... here next year?

**A**-we will be staying

**B**-won't we staying

**C**-will we be staying

**D**-how will we staying

8. The internet remains a wonderful source of information through .....

**A**-shopping sites

**B**-millions of websites such as Wikipedia

**C**- NASA

**D**-social sites

9. Has the clinic ..... ? .....

**A**-clean yet / No, it hasn't

**B**-been cleaned / Yes, it doesn't

**C**-already been cleaned / No, it has

**D**-been cleaned yet / No, it hasn't

10. Which one is the correct (noun thing) ?

**A**- archaeologist

**B**- archoealogy

**C**-archaeology

**D**- archaeological

11. The word ..... has silent (w) and the letter (l) is not silent in .....

**A**-whose / talk

**B**-whereas / chalk

**C**- who / calm

**D**-sword / woodland

12. ( To study information again to prepare for tests )is called.....

**A**-Revision

**B**-Returning

**C**- Replacement

**D**-Renaming

13. Ms.Reilly suggested Azad to .....

**A**-miss the chance to see New York.

**B**-talk about silk road merchants.

**C**-go to the Staten Island Ferry.

**D**-call Stella and arrange a time.

14. This land has lost all its nutrients: it's ..... for growing anything.

**A**-intensive

**B**-useful

**C**- productive

**D**-useless

15. It is nice to go to the park but we ..... there in time.

**A**-are not enough petrol to arrive

**B**-don't have enough petrol to arrive

**C**-have too many petrol to arrive

**D**-don't have petrol enough to arrive

16. The number (50) refers to the ..... and the distance you can see from the top of the Empire State Building is .....in a clear day.

**A**-weight of the heaviest of the huge rectangular blocks at Stonehenge / 80 miles

**B**-number of huge circular blocks at Stonehenge / eighty miles

**C**-weight of the heaviest block at Stonehenge / eighteen miles

**D**-diameter of the circular group of stones / sixty miles

17. We worked hard to stop the old boat from going down, but it was all ..... it finally sank like a stone.

**A**-for nothing

**B**-for free

**C**- for test

**D**-for rest

18. .... agreed that the citadel and its mound must .....

**A**-Only UNESCO , not be protected

**B**-HCECR and UNESCO , be protected

**C**-Ben Gunn / more than ten days      **D**-Four or five of the mutineers / only ten days

**Choose the right option. Two marks for the correct answer. Use the text to answer ( 1-4)**

One day, William was up on the roof of his house, mending a hole in the tiles. He had nearly finished, and he was pleased with his work. Suddenly, he heard a voice below calling "Hello!" When he looked down, he saw an old man in dirty clothes standing below. "What do you want?" asked William. "Come down and I'll tell you," called the man. William was annoyed, but he was a polite man, so he put down his tools. Carefully, he went all the way down to the ground. "What do you want?" he asked, when he reached the ground. "Could you spare a little money for an old beggar?" asked the old man. William thought for a minute and said, "Come with me." He began climbing the ladder up again. The old man followed him all the way to the top. When they were both sitting on the roof, William turned to the beggar and said "No."

1. William was on the roof of his house because he was .....

**A-**looking at the view

**B-At** the top of the chest there was a carefully folded suit.  
**C-Behind** Captain Bill was his sea-chest on a hand-cart.  
**D-In** the corner of the galley , Silver kept a parrot in a cage.

**Choose the right option. Two marks for the correct answer. Use the text to answer ( 1-4)**

One day, William was up on the roof of his house, mending a hole in the tiles. He had nearly finished, and he was pleased with his work. Suddenly, he heard a voice below calling "Hello!" When he looked down, he saw an old man in dirty clothes standing below. "What do you want?" asked William. "Come down and I'll tell you," called the man. William was annoyed, but he was a polite man, so he put down his tools. Carefully, he went all the way down to the ground. "What do you want?" he asked, when he reached the ground. "Could you spare a little money for an old beggar?" asked the old man. William thought for a minute and said, "Come with me." He began climbing the ladder up again. The old man followed him all the way to the top. When they were both sitting on the roof, William turned to the beggar and said "No."

1. William was on the roof of his house because he was .....

**A-**looking at the view

**A-and then turn back to England.**                      **B-after they had found the treasure.**  
**C-when the pirates least expected it .**                      **D-immediately after they had killed Silver.**

**Choose the right option. Two marks for the correct answer. Use the text to answer ( 1-4)**

One day, William was up on the roof of his house, mending a hole in the tiles. He had nearly finished, and he was pleased with his work. Suddenly, he heard a voice below calling "Hello!" When he looked down, he saw an old man in dirty clothes standing below. "What do you want?" asked William. "Come down and I'll tell you," called the man. William was annoyed, but he was a polite man, so he put down his tools. Carefully, he went all the way down to the ground. "What do you want?" he asked, when he reached the ground. "Could you spare a little money for an old beggar?" asked the old man. William thought for a minute and said, "Come with me." He began climbing the ladder up again. The old man followed him all the way to the top. When they were both sitting on the roof, William turned to the beggar and said "No."

- William was on the roof of his house because he was .....  
**A- looking at the view** **B- waiting for the old man**

**C**-an officer , the crew      **D**-a sailor , the officers

Choose the right option. Two marks for the correct answer. Use the text to answer ( 1-4)

One day, William was up on the roof of his house, mending a hole in the tiles. He had nearly finished, and he was pleased with his work. Suddenly, he heard a voice below calling "Hello!" When he looked down, he saw an old man in dirty clothes standing below. "What do you want?" asked William. "Come down and I'll tell you," called the man. William was annoyed, but he was a polite man, so he put down his tools. Carefully, he went all the way down to the ground. "What do you want?" he asked, when he reached the ground. "Could you spare a little money for an old beggar?" asked the old man. William thought for a minute and said, "Come with me." He began climbing the ladder up again. The old man followed him all the way to the top. When they were both sitting on the roof, William turned to the beggar and said "No."

1. William was on the roof of his house because he was .....

**D-In the corner of the galley , Silver kept a parrot in a cage.**

Choose the right option. Two marks for the correct answer. Use the text to answer ( 1-4)

One day, William was up on the roof of his house, mending a hole in the tiles. He had nearly finished, and he was pleased with his work. Suddenly, he heard a voice below calling "Hello!" When he looked down, he saw an old man in dirty clothes standing below. "What do you want?" asked William. "Come down and I'll tell you," called the man. William was annoyed, but he was a polite man, so he put down his tools. Carefully, he went all the way down to the ground. "What do you want?" he asked, when he reached the ground. "Could you spare a little money for an old beggar?" asked the old man. William thought for a minute and said, "Come with me." He began climbing the ladder up again. The old man followed him all the way to the top. When they were both sitting on the roof, William turned to the beggar and said "No."

1. The old man was .....

- A-** William's relative      **B-**a beggar      **C-** a roof-mender      **D-** William's friend

**D**-In the corner of the galley , Silver kept a parrot in a cage.

Choose the right option. Two marks for the correct answer. Use the text to answer ( 1-4)

One day, William was up on the roof of his house, mending a hole in the tiles. He had nearly finished, and he was pleased with his work. Suddenly, he heard a voice below calling "Hello!" When he looked down, he saw an old man in dirty clothes standing below. "What do you want?" asked William. "Come down and I'll tell you," called the man. William was annoyed, but he was a polite man, so he put down his tools. Carefully, he went all the way down to the ground. "What do you want?" he asked, when he reached the ground. "Could you spare a little money for an old beggar?" asked the old man. William thought for a minute and said, "Come with me." He began climbing the ladder up again. The old man followed him all the way to the top. When they were both sitting on the roof, William turned to the beggar and said "No."

1. William was ..... since .....

**A**-happy / he wanted to get away from his work. **B**-angry / he wanted to speak to the old man

**A- Black Dog / Silver's inn      B- Smollett / Spy-glass inn**  
**C- Black Dog /Old Anchor inn      D- Flint / the Hispaniola ship**

Choose the right option. Two marks for the correct answer. Use the text to answer ( 1-4)

One day, William was up on the roof of his house, mending a hole in the tiles. He had nearly finished, and he was pleased with his work. Suddenly, he heard a voice below calling "Hello!" When he looked down, he saw an old man in dirty clothes standing below. "What do you want?" asked William. "Come down and I'll tell you," called the man. William was annoyed, but he was a polite man, so he put down his tools. Carefully, he went all the way down to the ground. "What do you want?" he asked, when he reached the ground. "Could you spare a little money for an old beggar?" asked the old man. William thought for a minute and said, "Come with me." He began climbing the ladder up again. The old man followed him all the way to the top. When they were both sitting on the roof, William turned to the beggar and said "No."

1. William made the old man climb up the ladder to .....

**A- Black Dog / Silver's inn**                      **B- Smollett / Spy-glass inn**  
**C- Black Dog /Old Anchor inn**                      **D- Flint / the Hispaniola ship**

**Choose the right option. Two marks for the correct answer. Use the text to answer ( 1-4)**

One day, William was up on the roof of his house, mending a hole in the tiles. He had nearly finished, and he was pleased with his work. Suddenly, he heard a voice below calling "Hello!" When he looked down, he saw an old man in dirty clothes standing below. "What do you want?" asked William. "Come down and I'll tell you," called the man. William was annoyed, but he was a polite man, so he put down his tools. Carefully, he went all the way down to the ground. "What do you want?" he asked, when he reached the ground. "Could you spare a little money for an old beggar?" asked the old man. William thought for a minute and said, "Come with me." He began climbing the ladder up again. The old man followed him all the way to the top. When they were both sitting on the roof, William turned to the beggar and said "No."

1. William made the old man climb up the ladder to .....

**Choose the right option. Two marks for the correct answer. Use the text to answer ( 1-4)**

One day, William was up on the roof of his house, mending a hole in the tiles. He had nearly finished, and he was pleased with his work. Suddenly, he heard a voice below calling "Hello!" When he looked down, he saw an old man in dirty clothes standing below. "What do you want?" asked William. "Come down and I'll tell you," called the man. William was annoyed, but he was a polite man, so he put down his tools. Carefully, he went all the way down to the ground. "What do you want?" he asked, when he reached the ground. "Could you spare a little money for an old beggar?" asked the old man. William thought for a minute and said, "Come with me." He began climbing the ladder up again. The old man followed him all the way to the top. When they were both sitting on the roof, William turned to the beggar and said "No."

1. William was ..... since .....
